

IER Local Partners and Local Service Partners

By selecting the most skilled and customer oriented specialists IER brings closer to its customers the level of expertise and the innovations that have established its reputation and helped its customers optimize their operations. Both **Local Partners** and **Local Service Partners** are certified providers of depot repair and on-site maintenance services. **Local Partners** are also authorized resellers of IER solutions.

Countries where no Local Partner is present are covered by the closest IER Office but IER welcomes applications from new potential partners in order to expand further its international network.
